

REMARKS

This Amendment is being filed before payment of the issue fee and merely amends claims 5, 7, and 9 to correct an obvious, grammatical error, by deleting the unnecessary term "being". Also, claims 7 and 8 are amended, to correct an obvious antecedent basis mistake regarding the term "buffer". Since no new matter is created, and the scope of the claims remain the same, there are no new issues to be considered by the Examiner. Therefore, the recommendation of the Primary Examiner and approval by the Commissioner of the entry of the Amendment without withdrawing the case from issue is respectfully requested.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN LLP
